Social Activities

Friday, July 20

Welcome Reception | Exhibit Hall | 5:30 – 6:30 PM

Greet old acquaintances and meet new ones at the welcome reception Thursday evening. A tasty sampling of appetizers will be featured.

Saturday, July 21

Family Activity | 1:00 PM

Raptors are fascinating birds: the silent night-hunting owls, the day-hunting hawks, the fish eating ospreys, the fast flying falcons, and the mighty eagles. Birds of Prey Northwest will provide an educational program, bringing in a raptor biologist with 5 glove handled raptor species-including an eagle!

Family Dinner | 6:30 PM

Join WSDA as we celebrate the Pacific Northwest at this family dinner. Family and guests are welcome!
